PO Box 1728 - Helena, MT 59624-1728

**DATE:** February 14, 2013

**TO:** JMG Career Specialists

**FROM:** Lucille Thomason, JMG Program Specialist

**RE:** **Climbing Wall Liability Form**

Attached you will find the liability form for the National Guard's **Climbing Wall**. The Climbing Wall will once again be part of the Coordinated Chaos activity at the upcoming Career Development Conference in Missoula.

Please make enough copies and have your students who will be attending the CDC fill one out and sign. If they are under the age of 18 years they will need to have their parents sign off as well. It will be the student's responsibility to have this signed form in their possession in order to participate in the Climbing Wall event. No exceptions-sorry.

Because the Coordinated Chaos will be immediately after the Opening Session, the students will need to have their Liability forms in their possession on Tuesday morning.

***Please Note: If your students would like to climb the wall in the morning before Coordinated Chaos they will need 2 liability forms-one for each time so please make copies for them to have in their possession.***

If you have any questions or need clarification on this form please contact me. Thanks and I look forward to seeing you on April 29<sup>th</sup> -May 1<sup>st</sup>.
